

## **PEBC Practice Analysis Survey**

PEBC Values Your Input: Help Shape the Future of the PEBC Qualifying Examinations

The Pharmacy Examining Board of Canada (PEBC) invites you to participate in an important survey aimed at gathering insights on the key competencies required for entry to practice pharmacists and pharmacy technicians. Your feedback will play a crucial role in shaping the future of the PEBC Qualifying Examinations to ensure they continue to reflect the most essential knowledge, skills and abilities for public protection.

**Why Participate:** The results of this survey will help guide revisions to the PEBC Qualifying Examination blueprints, which are used to assess the competence of pharmacists and pharmacy technicians seeking to enter practice across Canada. By sharing your perspective, you'll contribute to maintaining the relevance and validity of the exam content, ensuring it aligns with the critical competencies needed in practice. Please share with other practicing technicians whose input you know will be valuable.

### **Survey Details:**

- Who can participate: Practising pharmacy professionals in Canada. Responses will remain confidential and are collected by an independent third party to ensure unbiased analysis.
- Incentive: In recognition of your time and contribution to this study, you will have the chance to win one of ten \$100 prizes by entering a random draw upon completing the survey.
- Social Impact: For each completed survey, PEBC will make a monetary donation to the Canadian Mental Health Association, helping support mental health initiatives across the country.
- ***Complete the survey by June 20, 2025.***

Your input is vital for ensuring the PEBC Qualifying Examinations remain robust and relevant.
